

RESOUNDING BELLS - SILVER JUBILEE

Great indeed are the works of the Lord that He has done for the growth of our Province during these past years of our presence in North East India. We had the joy of inaugurating the Silver Jubilee year by Rev. Mother Annamaria Viganó where she hoisted the flag of the silver jubilee indicating the presence of our sisters in 22 communities and an offshoot of North East India. In her inaugural speech (given below) she expressed the joy of the growth of our Province within 25 years of service;

She appreciated the hard work done by the pioneer sisters under the guidance of our former Provincials Sr. Dorothy, Sr. Angelamaria and Sr. Jozy. She was indeed very happy about the growth of vocation with many young girls joining from this region. She also asserted that we are fortunate to have the formation house of our own.

The programme was solemnized with the release of the book “Across the years” ... and the Documentary “Do likewise” of North East India Province by Mother Annamaria Viganó, Superior

General. The prayer on Silver Jubilee year was distributed to all and everyone joined in praying together. A hymn ‘North East India Bless the Lord’ was sung by all as a sign of belonging to different tribes, living under one family of the Sisters of Charity. Then all proceeded to the refectory for refreshment and the silver jubilee poster was handed over to all the community sisters. With an exuberant heart all returned to their respective places praising and thanking the Lord for all that He has accomplished through various persons from its inception and continuing it with the spirit of determination and dedication. Thank you dear Mother Annamaria Viganó, for your valuable presence, among us on that auspicious day. Dear Sr. Venita Fernandes you were one of the luckiest to be here with us. We appreciate your untiring presence and wish God’s abundant blessings on you.....
